

Technical, trade, or military training received

Resume/work history/life experiences as they relate to basic knowledge of the radiology field, healthcare services, and/or work ethics

Three (3) letters of reference, preferably other than family

Applicant's written statement of "Why I have chosen Radiologic Technology as a career." Indicating awareness of the Radiography field.

All applicant transcripts are rated, using the following point system.

3 points for a final grade of "A" in theory and/or lab course

2 points for a final grade of "B" in theory and/or lab course

1 points for a final grade of "C" in theory and/or lab course

Points are given for the score achieved on the admission test.

3 points for a test score of 90-100

2 points for a test score of 80-89

1 point for a test score of 75-79

Consideration is also given to documentation of:

Applicant's resume/work history

Any volunteer work in radiology or other healthcare field

Trade school and/or technical education completed.

Certifications, and/or licensures earned that may enhance the applicant's skills in Radiography.

Non-academic experiences/attributes are quantified, using the following point system:

3 points for high significance / relativity to radiology field

2 points for medium significance / relativity to radiology field

1 point for slight significance / relativity to radiology field

Prior to clinical course rotations, students must pass a drug screen test and criminal background check. Radiology students must pass a drug screen and criminal background check (at the student's expense and completed as scheduled through a GC approved company). Criteria that prevent attendance at clinical sites and/or require withdrawal from the course are stipulated in the related GC Health Science policy.

Candidates will be notified in writing via US mail.
