

# ASSOCIATE OF SCIENCE (AS)

## General Studies

### *Associate of Science Degree*

The General Studies AS degree at Grayson College is designed for transfer into a STEM or Psychology program at four-year institutions. However, all students are advised to counsel with the university/college of their choice to determine if all courses recommended by Grayson College are applicable to that institution's bachelor's degree for the students desired major. For a STEM major, we recommend taking elective courses in Science or Mathematics.

#### FRESHMAN YEAR
