I = Introduced

R = Reinforced

M=Mastered

Under each PLO enter an I, R, or M in the row for the listed course where the PLO is either Introduced, Reinforced or Mastered. Core courses outside of the discipline should not be inlcuded unless it is tied to the PLO's for the program.

All courses listed should be mapped for I, R, & M if it is part of the program.

The course that the PLO is mastered in will be the course that the program assessment occurs in for that PLO
