

College Success Council Meeting
October 18, 2017
Minutes for October 4, 2017

Attended: Dr. Regina Organ, Dr. Dava Washburn, Dr. Chase Machen, Dr. Debbie Smarr, Barbara Malone, Dr. Molly Harris, Dr. Kim Williams, Christy Klemiuk, and Cynthia Taylor (Support)

Absent: Dr. Jeremy McMillen, Logan Maxwell, and Donna King

Approval of Minutes from September 20th Meeting: The minutes of September 20, 2017, were unanimously approved - a motion for approval was given by Dr. Molly Harris and a second by Dr. Kim Williams

CLARA Update: Christy shared that she has only been to one meeting, but is enjoying hearing what other schools are doing. Christy will have CLARA again next week.

Degree Audits Fall 2107: Dr. Organ shared a handout on the total number of Degree Audits that have been applied by 9-7-17. There were 865 on Academic Degrees and 124 on Certificate. Christy reviewed the information on the form and addressed questions. Christy shared they just hired a Transcript Analyst (Debbie Collins). Also, there was a discussion on Marketable Skills.

Pathway Advising: Barbara shared they would not start scheduling appointments for the 2nd 8-weeks. They are working with Who's Next, but this would be an additional cost for an add-on to schedule appointments. Barbara shared the following handouts.

- Pathway Advising by Major
- FTIC Pathway Advising

All FTIC students will be assigned a designated advisor by Pathway, except Dual Credit.

There was also discussion on who would keep up with the changes in Pathways.

Update on 8-Week Discussions: Dr. Organ shared that after the last 8-Week Discussion Meeting we were still talking about having a 2-year schedule to help register students, but left believing it was better not to register students for 2 years. There are issues, confusion, and difficulties institutional-wide to register a student for 2-years. Casey could possibly build a Planning Software Program, which we could build 2-year offerings, without times or days. We just need the course sequencing for 2-years.
