

Grayson College Consideration of 2019-2020 Tuition and General Fees
--

Two years ago the Board voted to adopt a multi-year approach to move tuition and general fees toward the State average while remaining below the average. The multi-year plan includes a \$2 per year increase for tuition and fees. In line with that approach, the following recommendation is made for your consideration:

	<i>2016-17</i>	<i>2017-18</i>	<i>2018-19</i>	<i>2019-20</i>	<i>2020-21</i>	<i>2021-22</i>
<u>IN-DISTRICT (\$2/yr)</u>						
Tuition	\$49	\$50	\$50	\$50	\$50	\$50
Fees	\$32	\$33	\$35	\$37	\$39	\$41
Total	\$81	\$83	\$85	\$87	\$89	\$91
Yearly % Change		2.47%	2.41%	2.35%	2.30%	2.25%
<u>OUT-OF-DISTRICT (\$2/yr)</u>						
Tuition	\$87	\$88	\$88	\$88	\$88	\$88
Fees	\$32	\$33	\$35	\$37	\$39	\$41
Total	\$119	\$121	\$123	\$125	\$127	\$129
Yearly % Change		1.68%	1.65%	1.63%	1.60%	1.57%
<u>NON-RESIDENT (\$2/yr)</u>						
Tuition	\$133	\$134	\$134	\$134	\$134	\$134
Fees	\$32	\$33	\$35	\$37	\$39	\$41
Total	\$165	\$167	\$169	\$171	\$173	\$175
Yearly % Change		1.21%	1.20%	1.18%	1.17%	1.16%

Evaluation will continue to occur annually to determine how closely the GC tuition and fees schedule adheres to the state average.

This proposal does not include consideration of differential tuition for specific programs, nor does it include course fees for specific courses.

Recommended Action(s): Continued Adoption of multi-year approach to general tuition and fees to include adoption of tuition increase determination for 2019-2020
