Glossary:

Pace: the total number of hours the student has successfully completed divided by the number of hours the student has attempted.

Appeal: a process for a student who fails to maintain SAP to petition the school for a reconsideration of eligibility to receive federal Title IV funds.

Students who have faced mitigating circumstances may appeal the suspension of their financial aid. Mitigating circumstances are generally beyond the student's control and may include: a death in the immediate family, injury or illness of the student, or other special circumstances.

Mitigating circumstances DO NOT include:

- Student felt overwhelmed
- Student did not like the instructor or had a conflict with the instructor
- Student did not understand college and wasn't ready or mature enough
- Death or illness of a friend or relative not in immediate family
- Withdrew or stopped attending to avoid a bad grade
- Student states: Nobody told me that would affect me

Financial Aid Warning: a status assigned to a student who fails to maintain SAP. The student is permitted to receive Title IV funds for one additional payment period(s). If by the end of that semester the student still does not fulfill eligibility requirements the student's status will change to Financial Aid Suspension.

Financial Aid Suspension: a status assigned to a student who does not have financial aid eligibility or who failed to meet the requirements of financial aid probation.

Financial Aid Probation: a status assigned to a student who fails to maintain SAP but who successfully appeals, permitting the student to receive Title IV funds for one additional payment period(s) while adhering to the stipulations of the appeal.

Maximum Timeframe: student cannot be paid financial aid for any courses that exceed 150% of the published length of the program.
