

**Request for Texas Success Initiative Exemption
(PRIVATE TEXAS OR OUT OF STATE COLLEGE STUDENTS)**

I seek exemption from the Texas Success Initiative Assessment Program under the provisions of Texas law stemming from House Bill 796 of the 78th regular session of the Texas Legislature. I am enrolled in a private or out of state institution of higher education, and I do not intend to seek a degree or certification from a Texas public institution of higher education. Should I decide to enroll on a permanent basis in or seek a degree or certification from a Texas public institution of higher education, I understand that I must comply with all the requirements of the Texas Success Initiative Program under TEC 51.3062 and must take the required assessment test prior to my first term as a permanent degree or certificate seeking student.
