## GENERAL STUDIES Associate of Science Degree

### Agricultural Science Transfer Guide

The AA and AS General Studies degree programs at Grayson College include a state mandated core of 42 hours and are designed for transfer to four-year institutions. However, these General Studies degrees may be customized to fit most academic disciplines. This particular advising sheet is a road map for students who wish to major in Agricultural Science at the university level. All students should routinely consult with an academic advisor at Grayson College and with the university/college of their choice to determine which of these recommended courses will be accepted for its bachelor's degree in their desired major.

#### Core Requirements

The Texas core requires 6 hours in Communication; 3 hours in Mathematics; 6 hours in Life and Physical Science; 3 hours in Creative Arts; 3 hours in Language, Philosophy, and Culture; 6 hours in History; 6 hours in Government; 3 hours in Social and Behavioral Science; and 6 hours of a Component Area Option. Consult with an advisor for your options.
