

Warning – Assumption of Risk

There are many special benefits from the activity being offered to student athletes by the Athletics Department at Grayson College. Within activities it will be understood that there are dangers that may lead to injury to student athletes. Therefore, the purpose of this statement is to make all student athletes aware that dangers do exist and that participation is voluntary with the understanding that risks are involved. It is to be further understood that student athletes must share in this responsibility of their own safety and the safety of others as each participates in the athletic programs at Grayson College.

The student athlete could injure the anatomy of one or several of the following: musculo-skeletal system, nervous system, circulatory system, respiratory system, digestive system, urinary system, reproductive system, endocrine and skin. Catastrophic injuries such as death, permanent paralysis and loss of organs may occur during sport participation. There is not an absolute preventative against any injury. Grayson College does not offer supplemental insurance to participate in athletic programs. Any injury sustained by the student athlete will be resolved by their own means.

By signing below, you acknowledge that you have read the "Warning – Assumption of Risk" statement above and are aware that there is a possibility you may incur an injury of carrying temporary or permanent disability to any of the body's systems. Also, you acknowledge risk of death, permanent paralysis, loss of organs and life-long disability that may occur as a result of participation. Additionally, you agree to release Grayson College from any liability with regards to any injury sustained.

Before you are approved to participate, you are required to sign below acknowledging the above statements.
