

SUMMARY

Upon completion of the Grayson College Dual Credit Emergency Medical Technician (EMT) Program, students will be prepared for employment as an EMT. They can also continue on to higher certification levels as a Paramedic or complete the AAS degree in Paramedicine.

CERTIFICATE

Occupational Skills Award; EMT-Basic

INSTRUCTOR

Course instructor is provided by Grayson College.

CURRICULUM

The hybrid curriculum is provided by Grayson College and consists of materials located in the Canvas Learning Management System and is complemented by hands-on lab activities on a Grayson College Campus (Main).

SCHEDULE

Students complete online coursework, hands-on lab skills practice and 48 clinical hours including time on an ambulance and in healthcare settings. The EMT curriculum offers an innovative skills lab concept. Students will register for their mandatory in class sessions and skills labs which will take place at the campus. In person sessions will be offered at:

- Denison campus: Monday through Thursday 1 to 3pm

This flexibility allows students to participate in other activities such as athletics, band, or academic teams. This schedule will remain the same across Fall and Spring.

FACILITY

Classes are held online and in a face-to-face format at the Denison campus.

TSI REQUIREMENT

None

PREREQUISITES

None
