Additionally, the college does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.

In accordance with Title IX and 34 C.F.R. part 106, the college does not discriminate on the basis of sex and is prohibited from discriminating on the basis of sex in its educational programs or activities. The prohibition against discrimination extends to employment. The college designates and authorizes the following employee as the Title IX coordinator to address concerns or inquiries regarding discrimination based on sex, including sexual harassment: Dr. Erin Howard, Director of Student Conduct and Title IX, 6101 Grayson Drive, Denison, TX 75020, 903-415-2614, howarde@grayson.edu.

Job Vacancy Announcements

Policy DC

Announcements of job vacancies by position and location are posted on a regular basis to the college website. Current employees who have been in their current position for at least 6 months may apply for vacancies for which they have appropriate qualifications.

Employment after Retirement

Policy DC

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed under certain circumstances on a full- or part-time basis without affecting their benefits, according to TRS rules and state law. Detailed information about employment after retirement is available in the TRS publication *Employment after Retirement*. Employees can contact TRS for additional information by calling 800-223-8778 or 512-542-6400. Information is also available on the TRS Website (www.trs.texas.gov).

Contract and Noncontract Employment

Policy DCA, DCB, DCC

College employees are either issued a contract or are considered employed at will.

Term Contracts

Select employees, including faculty and some administrators, will be employed by contract for a term of up to three years. The terms and conditions of employment are detailed in the contract and in employment policies. All contract employees will receive a copy of their contract. Employment policies can be accessed online or copies will be provided upon request.

At-Will Employment

Employees not issued a contract are considered employed at will. Employment is not for any specified term and may be terminated at any time by the employee or the college.

Recertification of Employment Authorization

Policy DC

At the time of hire, all employees must complete the Employment Eligibility Verification Form (Form I-9) and present documents to verify identity and employment authorization.

Employees whose immigration status, employment authorization, or employment authorization documents have expired must present new documents that show current employment authorization. Employees should file the necessary application or petition sufficiently in advance to ensure that they maintain continuous employment authorization or valid employment authorization documents. Contact the human resources office if you have any questions regarding re-verification of employment authorization.

Searches and Alcohol and Drug Testing

Policy CR, DHB

Non-investigatory searches in the workplace including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. In addition, the college reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if there is reasonable suspicion that an employee is under the influence of alcohol or drugs in violation of college district policy. The college may search the employee, the employee's personal items, and work areas including college-owned technology resources, lockers, and private vehicles parked on college premises or work sites or used in college business. Disciplinary action, up to and including termination, may result if an employee refuses to submit to testing or is found to violate district policy

Employees Required to Have a Commercial Driver's License.

Any employee whose duties require a commercial driver's license (CDL) is subject to drug and alcohol testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people counting the driver, drivers of large vehicles, or drivers of vehicles used in the transportation of hazardous materials. Faculty, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements if their duties include driving a commercial motor vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists and at random. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty. Testing may be conducted following accidents.

All employees required to have a CDL or who otherwise are subject to alcohol and drug testing will receive a copy of the relevant policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs.

Other Employees Subject to Drug Testing

Certain employees may be subject to drug and alcohol testing as required by professional standards, accreditation, or licensing boards. For positions where drug testing is required, unsatisfactory drug test results will result in disciplinary action, which may include suspension from duties and termination of employment.

Employees with questions or concerns relating to alcohol and drug policies and related educational material should contact the human resources office.

Workload and Work Schedules

Policies DEA, DJ

Professional Employees

Faculty, administrators, and other professionals are exempt from overtime pay and are employed according to the work schedules set by the college. Notice of work schedules including start and end dates and scheduled holidays will be distributed each academic year.

Support and Auxiliary Employees

Support employees and some part-time professionals are considered nonexempt workers and receive notification of the required work schedule, hours of work, and holidays for their position on an annual basis. Nonexempt employees must be compensated for overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor. See *Overtime Compensation* on page 17 for additional information.

Summer Schedule

A four-day work schedule is in place during month of June. During this time, employees typically work more hours each day and are not scheduled to work on Friday.

Breaks for Expression of Breast Milk

Policies DG

The college supports the practice of expressing breast milk and makes reasonable accommodations for the needs of employees who express breast milk. A place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk will be provided.

A reasonable amount of break time will be provided when the employee has a need to express milk. For nonexempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times. The lactation rooms are located on the main campus in the SAB building and on the South Campus.

The Providing Urgent Maternal Protections of Nursing Mothers Act (PUMP Act) requires an employee to notify the district if they believe the district is out of compliance in providing breaks for a nursing mother. The employee must give the district 10 days to come into compliance before making any claim of liability against the district. An employee with concerns should contact the Human Resources office at hr@grayson.edu.

Pregnant Workers Fairness Act

The Pregnant Workers Fairness Act (PWFA) provides consideration of accommodations to employees who have known limitations related to pregnancy, childbirth, or related medical conditions. An employee seeking a PWFA accommodation should contact Human Resources at hr@grayson.edu to begin the interactive process.

Outside Employment

Policy DBD, DBF

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the college. Disclosure is required at the beginning of the academic year or at any time during the year that the employee begins another job. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

Prohibition on Participation in Foreign Recruitment Programs by Adversary Nations

In accordance with institutional policy, all employees are strictly prohibited from participating in any recruitment programs initiated by foreign adversary nations. This includes any efforts by foreign entities to recruit employees or encourage involvement in activities that may undermine U.S. interests or national security. Employees are expected to remain vigilant and avoid any engagement with foreign recruitment schemes that may pose a risk to the institution or the country. Violations of this policy may result in disciplinary action, up to and including termination of employment.

Performance Evaluation

Policy DL series

Evaluation of an employee's job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria including end-of-course evaluation of faculty. Non-faculty employees will participate in the evaluation process with their assigned supervisor at least annually. New faculty will participate in the performance evaluation process annually for the first three years of employment. After completing the third year of employment, faculty will participate in the evaluation process once every three years.

Written evaluations will be completed on forms or electronically as approved by the college. Reports, correspondence, and memoranda may also be used to document performance information. Employees will receive a copy of their evaluation, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation.

Health Science: Upon receiving a report, a nursing peer review committee may review a nurse's nursing services, qualifications, and quality of patient care, as well as the merits of a complaint concerning a nurse, and a determination or recommendation regarding a complaint. A nurse may request, orally or in writing, a determination by the committee regarding conduct requested of the nurse believed to violate the nurse's duty to a patient.

Remote Work and Flex Work

Remote work is a voluntary work alternative that is available for some employees and positions at Grayson College. The Remote Work Program document and the Remote Work Assessment form are available to view on the Employment page of the college website. The Flex Work document and assessment form are also available to view on the Employment page of the college website.

Compensation and Benefits

Salaries, Wages, and Stipends

Policies DE, DEA

Employees are paid in accordance with administrative guidelines and an established pay structure. The college's pay plans are reviewed by the administration each year and adjusted as needed. All college positions are classified as exempt or nonexempt according to federal law. Professional employees and academic administrators are generally classified as exempt and are paid salaries. They are not entitled to overtime compensation. Other employees are generally classified as nonexempt and are paid an hourly wage and receive compensatory time or overtime pay for each hour worked beyond 40 in a workweek. (See *Overtime Compensation*)

Faculty who teach courses in addition to a regular course load and exempt employees who perform supplemental duties may be paid a stipend in addition to their salary.

Employees should contact the Human Resources office at hr@grayson.edu for more information about the college's pay schedules or their own pay.

Paychecks

All employees are paid bi-weekly. Stipends for special assignments may be paid monthly.

The Human Resources office will provide a payroll calendar for adjunct or overload contracts. Typically, pay for an 8-week course will be made in 4 equal installments.

An employee's payroll statement contains detailed information including deductions, withholding information, and the amount of leave accumulated. The schedule of pay dates are available on the college website under the employment link at <http://www.grayson.edu/employment/index.html>.

Payroll Deductions

Policy CDDA

The college is required to make the following automatic payroll deductions:

- Teacher Retirement System of Texas (TRS) or Optional Retirement Program (ORP) for all full-time employees.
- Social Security employee contributions
- Federal income tax required for all full-time employees
- Medicare tax (applicable only to employees hired after March 31, 1986)
- Child support and spousal maintenance, if applicable
- Delinquent federal education loan payments, if applicable
- English proficiency course costs, if applicable

Other payroll deductions employees may elect include deductions for the employee's share of premiums for health, dental, life, and vision insurance, and annuities. Employees may also request payroll deduction for payment of club or recreational fees and certain charitable contributions approved by the president. Salary deductions are automatically made for unauthorized or unpaid leave.

Overpayments

Employees are not entitled to any funds the college overpays. An agreement between an employee and the college must be in place in order to deduct any overpayment from one or more paychecks if an overpayment occurs.

Overtime Compensation

Policy DEA

The college compensates overtime for nonexempt employees in accordance with federal wage and hour laws. Only nonexempt employees or hourly employees are entitled to overtime compensation. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor. A nonexempt employee who works overtime without prior approval will be subject to disciplinary action up to and including

termination.

With the exception of police officers, overtime is defined as all hours worked in excess of 40 hours in a workweek and is not measured by the day or by the employee's regular work schedule. For nonexempt employees (not including police officers), the workweek begins at 12am Monday and ends at 11:59pm Sunday.

For police officers, overtime is calculated on a 14-day (two-week) work-period that begins at 12am Monday (day 1) and ends at 11:59pm Sunday (day 14). Police officers earn overtime after working 86 hours in the defined 14-day period as allowed under section 7K of the Fair Labor Standards Act.

Travel Expense Reimbursement

Policy DEE

Before any travel expenses are incurred by an employee, the employee's supervisor and appropriate executive leader must give approval. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule established by the college. Employees must submit receipts, to the extent possible, to be reimbursed for allowable expenses other than mileage. Expenses for meals associated with authorized travel not related to a state or federal grant will be paid on a per diem basis. No receipts are required for expenses paid on a per diem basis.

Medical, Dental, Vision, and Life Insurance

Policy CKD

Group health insurance coverage is provided to regular full-time employees through the Employee Retirement System (ERS), the Texas Employee Group Benefits Program (GBP). The college contributes the full employee insurance premium and half the premiums applicable to the employee's dependents. Tobacco users are subject to additional premiums that are not covered by the college.

The GBP includes medical, dental, vision, term and accidental life, and short-term and long-term disability insurance. The insurance plan year is from September 1 through August 31. Current employees can make changes in their insurance coverage during open enrollment each year or when they experience a qualifying event (e.g., marriage, birth, divorce). Detailed descriptions of insurance coverage, employee cost, and eligibility requirements are provided to all employees in a separate booklet. Employees should contact the Human Resources office for more information.

Cafeteria Plan Benefits (Section 125)

Policy CDD

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis. Section 125 benefits with ERS also include TexFlex flexible spending accounts for healthcare expenses, limited dental and vision expenses, and dependent care expenses. TexFlex accounts allow you to set aside money on a pre-tax basis to pay for qualified expenses throughout the year. More information about cafeteria plan benefits will be provided to new employees and each year during the annual benefits enrollment.

New employees must accept or reject this benefit during their first month of employment. All employees must accept or reject this benefit on an annual basis and during the specified time period.

Workers' Compensation Insurance

Policy CKE

The college, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. The college has workers' compensation coverage from Claims Administrative Services (CAS), effective September 1, 2017.

Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries should be reported immediately to a supervisor and an online accident report should be completed. Employees who are unable to work because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code. See *Workers' Compensation Benefits*, for information on use of paid leave for such absences.

Unemployment Compensation Insurance

Policy CKF

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact the Texas Workforce Commission.

Retirement

Policy DEG

All full-time personnel employed on a regular basis for at least four and one-half months are members of the Teacher Retirement System of Texas (TRS). Student workers and work study students are not eligible for membership.

Full-time faculty and certain administrators may choose to opt out of TRS and enroll in an optional retirement program (ORP). The option to enroll in the ORP must be made no later than the 90th calendar day of the first day of employment. Failure to elect the ORP during the 90-day election period shall be a default election into TRS.

An employee who is eligible to elect the ORP shall only have one opportunity during his or her lifetime, including any future periods of employment in Texas public higher education, to elect the ORP in lieu of TRS. The election may never be revoked. Therefore, new employees are urged to make this decision carefully.

Employees who plan to retire should notify the Human Resources office as soon as possible. Information on the application procedures for TRS benefits is available from TRS at Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call 800-223-8778 or 512-542-6400. TRS information is also available on the web (www.trs.texas.gov).

Leaves and Absences

Policies DEC, DECA, DECB

The college offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than 5 days should call the human resources office for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the college.

Available paid leave must be used before unpaid leave is granted. In the case of leave under the Family and Medical Leave Act (FMLA), paid sick time and paid vacation time run concurrent with family and medical leave.

Employees must follow college and department procedures to report or request any leave of absence and complete the appropriate form or certification.

Medical Certification

Any employee, who is absent more than 5 days because of a personal or family illness, must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, appropriate medical facts about the illness, and—in the case of personal illness—the employee’s fitness to return to work.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. *Genetic information*, as defined by GINA, includes an individual’s family medical history, the results of an individual’s or family member’s genetic tests, the fact that an individual or an individual’s family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual’s family member, or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Continuation of Health Insurance

Health insurance benefits for employees on paid leave and leave designated under the Family and Medical Leave Act will be paid or supplemented by the college as they were prior to the leave.

Employees on an approved unpaid leave of absence, other than family and medical leave, may continue their insurance benefits at their own expense. Otherwise, the college does not pay any portion of insurance premiums for employees who are on unpaid leave. This includes absences due to a work-related injury or illness.

If an hourly employee does not report or request a leave of absence(s) according to college procedures, the incident is considered a “no call/no show”. An employee absent for three consecutive days without notice is considered to have abandoned their job and may face disciplinary consequences up to and including termination. Employees with an excessive number of absences outside of a leave program may face disciplinary consequences up to and including termination.

Vacation

Policy DED

Full-time, 12-month employees of the College District shall accrue vacation leave annually at the following rates, prorated for each pay period worked:

Years of Service	Annual Accrual
Less than 15	80 hours
15 or more	120 hours

Each employee’s vacation leave shall accrue at the end of each pay period in which that individual is employed. Upon completion of their 15th year of employment with the College District, personnel shall accrue vacation leave at the higher rate indicated above beginning with the first month of their 16th year. Earned vacation shall be taken at a time mutually acceptable to the employee and the employee’s immediate supervisor, and should be scheduled in consideration of the work requirements of the department. Vacation leave shall require the advance approval of the employee’s immediate supervisor and should be scheduled as far in advance as possible. The maximum accrual amount for all full-time employees (TRS definition) shall be three standard workweeks.

Upon voluntary separation, an employee may be paid accrued, but unused vacation leave if the employee provided and was available to work through a minimum two-week notice period. The two-week notice period may not include scheduled holidays or vacation time.

Holidays

Policy DED

Holidays officially observed by the College District shall be designated in the school calendar. Twelve-month employees shall receive paid leave for officially designated holidays. Those employees involved in mini-semester or special educational or work activities shall utilize an appropriate holiday schedule.

Officially designated holidays may not apply to certain employees or positions as stipulated in special provisions to the employment contract or otherwise. Some personnel, because of the

nature of their department or work activities, shall have holidays that differ in time and duration from the normal (e.g., police officers).

Sick Leave

Policy DEC

Full-time employees shall accrue sick leave at the end of each pay period. Employees whose regular workweek is 40 hours per week shall accrue 80 hours of sick leave per year, prorated for each pay period of active employment. Full-time personnel may accrue a maximum of 480 hours.

An employee may use sick leave when he or she (1) is incapacitated for the performance of duties by physical or mental illness, injury, pregnancy, or childbirth; (2) receives medical, dental, or optical examination or treatment; or (3) would, as determined by the health authorities having jurisdiction or by a health-care provider, jeopardize the health of others by his or her presence on the job because of exposure to a communicable disease.

Sick leave may also be utilized to (1) provide care for a family member who is incapacitated as a result of physical or mental illness, injury, pregnancy, or childbirth; (2) provide care for a family member as a result of medical, dental, or optical examination or treatment; or (3) make arrangements necessitated by the death of a family member or attend the funeral of a family member. For purposes of this policy, "family member" is defined as spouse, and parents thereof; children, including adopted children, and spouses thereof; parents; brothers and sisters, and spouses thereof; and other members of the immediate household. An employee's supervisor, or other superordinate personnel, may require a physician's statement before authorizing sick leave. Payment for unutilized sick leave shall not be made upon employee termination or voluntary separation.

Personal Leave

Policy DEC

Full-time employees shall be allowed two days per calendar year for personal leave to allow for activities that cannot be accomplished outside the normal work schedule. Personal leave shall not be cumulative from one calendar year to the next. Personal leave shall require the advance approval of the employee's immediate supervisor and should be scheduled in advance.

Assault Leave

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An incident involving an assault is a work-related injury and should be immediately reported to human resources or the immediate supervisor.

An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the

person non-responsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the district will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation benefits. Upon investigation the district may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

Bereavement Leave

Policy DEC

An employee shall be eligible for a maximum of three days of paid bereavement leave arising from a death in the immediate family of the employee or the employee's spouse. For purposes of this provision, "immediate family" shall include the parent, wife, husband, child, brother, sister, grandmother, grandfather, son-in-law, daughter-in-law, or another member of the immediate household.

Sick Leave Pool

The purpose of the sick leave pool is to benefit employees who suffer, or are affected by, a catastrophic injury or illness which forces employees to exhaust all accrued leave. Sick leave pool benefits are made possible through the voluntary donation of accumulated sickleave hours by fellow employees. All faculty and full-time employees who have completed one year of employment with Grayson College and are eligible to accrue and use sick leave are also eligible to request sick leave pool hours.

A catastrophic injury or illness is defined as a severe condition or combination of conditions affecting the mental or physical health of the employee or the employee's immediate family. A severe condition or combination of conditions is one that:

- Will result in death or is a severely debilitating condition that will result in the individual not meeting the essential functions of his/her job if not treated promptly or at regularly scheduled intervals (e.g. chemotherapy treatments, radiation treatments, etc.); OR
- Has been notified by their treating doctor they are considered "terminal;" OR
- Has been absent from work a minimum of 30 calendar days and is expected to be off longer than sixty calendar days.

Immediate family is defined as those individuals related by kinship, adoption, or marriage who live in the same household; and foster children who are certified by the Health and Human

Services Commission.

Eligibility and Application for Assistance:

Grayson College employees facing loss of compensation because of their own catastrophic illness or injury or for one in their immediate family may apply for sick leave pool hours. If an employee, because of catastrophic illness or injury, is unable to make personal application for such benefit, a member of the immediate family or the employee's immediate supervisor may apply on the employee's behalf.

Maternity/childbirth is not considered a catastrophic injury or illness for the purpose of the sick leave pool benefit unless the employee is required to be off for more than 30 calendar days or is placed on doctor ordered bed rest or, as a result of their pregnancy, has to have surgery. Employees must exhaust all accrued leave before being eligible to apply for sick leave pool. An employee may apply to the sick leave pool once every (5) five years of his or her employment.

Medical certification of the prolonged catastrophic illness or injury from the primary attending physician is required prior to receiving donated sick leave pool. Certification must include diagnosis and estimated length of time the recipient employee is expected to be unable to work.

Employees may also apply for sick leave pool benefits if they had previously contributed to the pool, and then exhaust their own sick leave balance in the same fiscal year.

Employees are eligible to receive a maximum of six weeks of sick leave pool benefits from the pool based on the employee's typical work week. Sick leave pool benefits will end upon a full release to work from their designated physician or when the maximum number of hours have been reached, whichever comes first.

Contributing to the sick leave pool is not a prerequisite to being eligible to apply for sick leave pool; and employees who are granted sick leave pool are not required to pay back the sick leave pool unless they resign their position from Grayson College within 90 days from usage for reasons unrelated to their illness.

The application for sick leave pool must be submitted promptly to Human Resources for review and consideration along with any required medical documentation to support their request for sick leave pool benefits.

Human Resources will notify the employee within seven calendar days from the date of the receipt of the application of the decision to approve or deny his/her request.

The granting of sick leave pool for each catastrophic illness or injury will be determined by the designated HR member. If the employee is denied sick leave pool benefits, they can dispute the denial by submitting a request to the President for review and consideration.

Any unused balance of sick pool leave granted to an employee returns to the pool if not used. Employees eligible for Workers' Compensation Insurance (WCI) benefits are not eligible to use sick leave pool benefits. In no case may sick leave pool benefits be used in conjunction with Workers' Compensation benefits. A request for sick leave pool benefits will not be processed if the employee has an open Workers' Compensation claim related to the illness or injury supporting the sick pool request, including any appeal to a denial of WCI benefits. Sick leave pool benefits may not exceed FMLA leave.

Family and Medical Leave Act (FMLA)—General Provisions

Policy DECA

The following text is from the federal notice, Your Employee Rights Under the Family and Medical Leave Act. Specific information that the college has adopted to implement the FMLA follows this general notice.

What is FMLA leave?

The Family and Medical Leave Act (FMLA) is a federal law that provides eligible employees with job-protected leave for qualifying family and medical reasons.

The U.S. Department of Labor's Wage and Hour Division (WHD) enforces the FMLA for most employees. Eligible employees can take up to 12 work weeks of FMLA leave in a 12-month period for:

- The birth, adoption or foster placement of a child with you,
- Your serious mental or physical health condition that makes you unable to work,
- To care for your spouse, child or parent with a serious mental or physical health condition, and
- Certain qualifying reasons related to the foreign deployment of your spouse, child or parent who is a military servicemember.

An eligible employee who is the spouse, child, parent or next of kin of a covered service member with a serious injury or illness may take up to 26 workweeks of FMLA leave in a single 12-month period to care for the service member.

You have the right to use FMLA leave in one block of time. When it is medically necessary or otherwise permitted, you may take FMLA leave intermittently in separate blocks of time, or on a reduced schedule by working less hours each day or week. Read Fact Sheet #28M(c) for more information.

FMLA leave is not paid leave, but you may choose, or be required by your employer, to use any employer-provided paid leave if your employer's paid leave policy covers the reason for which

you need FMLA leave.

Am I eligible to take FMLA leave?

You are an eligible employee if all of the following apply:

- You work for a covered employer,
- You have worked for your employer at least 12 months,
- You have at least 1,250 hours of service for your employer during the 12 months before your leave, and your employer has at least 50 employees within 75 miles of your work location

You work for a covered employer if one of the following applies:

- You work for a private employer that had at least 50 employees during at least 20 workweeks in the current or previous calendar year,
- You work for an elementary or public or private secondary school, or
- You work for a public agency, such as a local, state or federal government agency.

Most federal employees are covered by Title II of the FMLA, administered by the Office of Personnel Management

How do I request FMLA leave?

Generally, to request FMLA leave you must:

- Follow your employer's normal policies for requesting leave,
- Give notice at least 30 days before your need for FMLA leave, or
- If advance notice is not possible, give notice as soon as possible.

You do not have to share a medical diagnosis but must provide enough information to your employer so they can determine whether the leave qualifies for FMLA protection. You must also inform your employer if FMLA leave was previously taken or approved for the same reason when requesting additional leave.

Your employer may request certification from a health care provider to verify medical leave and may request certification of a qualifying exigency. The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

State employees may be subject to certain limitations in pursuit of direct lawsuits regarding leave for their own serious health conditions. Most federal and certain congressional employees are also covered by the law but are subject to the jurisdiction of the U.S. Office of Personnel Management or Congress.

What does my employer need to do?

If you are eligible for FMLA leave, your employer must:

- Allow you to take job-protected time off work for a qualifying reason,
- Continue your group health plan coverage while you are on leave on the same basis as if you had not taken leave, and
- Allow you to return to the same job, or a virtually identical job with the same pay, benefits and other working conditions, including shift and location, at the end of your leave.

Your employer cannot interfere with your FMLA rights or threaten or punish you for exercising your rights under the law. For example, your employer cannot retaliate against you for requesting FMLA leave or cooperating with a WHD investigation.

After becoming aware that your need for leave is for a reason that may qualify under the FMLA, your employer must confirm whether you are eligible or not eligible for FMLA leave. If your employer determines that you are eligible, your employer must notify you in writing:

- About your FMLA rights and responsibilities, and
- How much of your requested leave, if any, will be FMLA-protected leave.

Where can I find more information?

Call 1-866-487-9243 or visit dol.gov/fmla to learn more. If you believe your rights under the FMLA have been violated, you may file a complaint with WHD or file a private lawsuit against your employer in court.

Local Family and Medical Leave Provisions

Eligible employees can take up to 12 weeks of unpaid leave in 12-month period measured forward from the date an individual employee's first FML begins.

Use of Paid Leave

FML runs concurrently with accrued paid leave, compensatory time, and absences due to a work-related illness or injury. The college will designate the leave as FML, if applicable, and notify the employee that accumulated leave will run concurrently.

Combined Leave for Spouses

Spouses who are employed by the college are limited to a combined total of 12 weeks of FML to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

Intermittent Leave

When medically necessary or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. The college does not permit the use of intermittent or reduced-schedule leave for the care of a newborn child or for adoption or placement of a child with the employee.

Fitness for Duty

An employee that takes FML due to the employee's own serious health condition shall provide, before resuming work, a fitness-for-duty certification from the healthcare provider. If certification of the employee's ability to perform essential job functions is required, the college shall provide a list of essential job functions (e.g., job description) to the employee with the FML designation notice to share with the health care provider.

Reinstatement

On return from FMLA leave, an employee is entitled to return to the same position the employee held when leave began, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. An employee is entitled to reinstatement even if the employee has been replaced or his or her position has been restructured to accommodate the employee's absence. However, an employee has no greater right to reinstatement or to other benefits and conditions of employment than if the employee had been continuously employed during the FMLA leave period.

Failure to Return

If, at the expiration of FML, the employee is able to return to work but chooses not to do so, the college may require the employee to reimburse the college's share of insurance premiums paid during any portion of FML when the employee was on unpaid leave. If the employee fails to return to work for a reason beyond the employee's control, such as a continuing personal or family serious health condition or a spouse being unexpectedly transferred more than 75 miles from the college, the college may not require the employee to reimburse the college's share of premiums paid.

College Contact

Employees that require FML or have questions should contact the Human Resources office for details on eligibility, requirements, and limitations.

Workers' Compensation Benefits

Policy CKE

An employee, absent from duty because of a job-related illness or injury, may be eligible for workers' compensation weekly income benefits, if the absence exceeds seven calendar days.

An employee receiving workers' compensation wage benefits for a job-related illness or injury

may choose to use accumulated sick leave or any other paid leave benefits. An employee choosing to use paid leave will not receive workers' compensation weekly income benefits until all paid leave is exhausted or to the extent that paid leave does not equal the pre-illness or -injury wage.

If the use of paid leave is not elected, then the employee will only receive workers' compensation wage benefits for any absence resulting from a work-related illness or injury, which may not equal his or her pre-illness or -injury wage. Ask HR for details regarding insurance premium payments.

Jury Duty

Policy DEC

The district provides paid leave to employees who are summoned to jury duty including service on a grand jury. The district will not discharge, threaten to discharge, intimidate, or coerce any regular employee because of juror or grand juror service or for the employee's attendance or scheduled attendance in connection with the service in any court in the United States. Employees who report to the court for jury duty may keep any compensation the court provides. An employee should report a summons for jury duty to his or her supervisor as soon as it is received and may be required to provide the district a copy of the summons to document the need for leave.

An employee may be required to report back to work as soon as they are released from jury duty. The supervisor may consider the travel time required and the nature of the individual's position when determining the need to report to work. A copy of the release from jury duty or documentation of time spent at the court may be required.

Compliance with a Subpoena

Employees will be paid while on leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding and will not be required to use personal leave. Employees may be required to submit documentation of their need for leave for court appearances.

Truancy Court Appearances

An employee, who is a parent or guardian of a child and any court-appointed guardian ad litem of a child who is required to miss work to attend a truancy court hearing, may use personal leave or vacation time for the absence. Employees who do not have paid leave available will be docked for any absence required because of the court appearance.

Religious Observance

An employee may request to be absent for a religious holiday or observance. Accommodations such as changes to work schedules or approving a day of absence will be made unless they pose an undue hardship to the college. The employee may use any accumulated personal or vacation leave for this purpose. Employees who have exhausted applicable paid leave may be granted an unpaid day of absence.

Faculty Members

Faculty members are required to provide written notice of a list of religious holy days to be observed during the semester to the chairperson of the department. The notice may be delivered personally or by certified mail return receipt requested. Faculty are also required to provide advance notice to all students whose class would be canceled.

Development Leaves of Absence

Policy DEC

A faculty member may be granted faculty development leave for study, research, writing, field observations, or other suitable purpose. The leave shall be for one academic year at one-half of the faculty member's regular salary or for one-half academic year at full regular salary, unless the faculty member has held an administrative position at the College District for more than four years. In that case, the Board may grant development leave at the faculty member's full, regular salary for one year. To qualify for development leave, a faculty member must serve at least three consecutive academic years performing full-time academic duty as an instructor or as an assistant, associate, or full professor, or an equivalent rank. The work need not include teaching. The applicant must also agree to return to the College District following the conclusion of the development leave to serve for a period of time equal to the amount of time the faculty member received for development leave and if not, to repay the College District for any benefits paid to or on behalf of the faculty member during the leave period.

To be granted development leave for the subsequent academic year, a faculty member must apply to the College President by March 1 on a signed and dated form created by the administration. The application shall contain:

1. The requested effective date and duration of leave.
2. A description of the specific purpose for which the leave is requested.
3. An explanation as to how the leave is consistent with the mission and purpose of the College District and the benefit of the leave to the College District.
4. An assurance that the faculty member intends to return to the College District following the completion of the development leave to serve for a period of time equal to the amount of time the faculty member received for development leave, if approved, and that, if the faculty member does not return, the employee shall repay the College District for any benefits paid to or on behalf of the employee during the leave period.
5. Any other information deemed appropriate by the College President.

A development leave committee shall review applications and make recommendations to the College President. After review of the committee's recommendation, the College President shall make a recommendation as to which applications should be granted for consideration at a Board meeting to occur before the end of the spring semester. No more than six percent of the College District faculty members may be on development leave at any one time. The College President shall inform the applicants of the final determination by the Board.

A faculty member granted development leave is prohibited from accepting employment with another employer without permission of the Board. Upon returning from development leave, the faculty member must report to the Board in writing regarding whether the purpose of the leave was fulfilled with a description regarding the manner in which it was fulfilled or if it was not fulfilled, the reasons why the leave was not fulfilled.

Military Leave

Policy DECB

Paid Leave for Military Service

Any employee who is a member of the Texas National Guard, Texas State Guard, reserve component of the United States Armed Forces, or a member of a state or federally authorized Urban Search and Rescue Team is entitled to paid leave when engaged in authorized training or duty orders by proper authority. Paid military leave is limited to 15 days each fiscal year.

Reemployment after Military Leave

Employees who leave the college to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the college will be reemployed provided they can be qualified to perform the required duties. To be eligible for reemployment, employees must provide notice of their obligation or intent to perform military service, provide evidence of honorable discharge or release, and submit an application for reemployment within the period of time specified by law to the Director of Human Resources. In most cases, the length of federal military service cannot exceed five years.

Continuation of Health Insurance

Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact the director of Human Resources for details on eligibility, requirements, and limitations.

Mental Health Leave for Peace Officers and Licensed Telecommunicators

Peace officers and full-time telecommunicators, as defined by law, employed by the College District are entitled to paid mental health leave after experiencing a traumatic event. The College President and chief of police will determine the events eligible as well as the number of days paid leave allowed. The maximum number of paid leave days allowed is 10. An eligible employee will submit the request to the chief of police. The College District will also notify only those necessary of the eligible employee's reason for leave.

Quarantine Leave for Peace Officers

Peace officers exposed to infectious diseases during the course of employment will be eligible for paid quarantine leave and reimbursement for expenses related to quarantine. The quarantine must be ordered by the supervisor or local health authorities.

Leave for Police Officers for Illness and Injury

Following a leave of absence with full pay as required by law, the College District shall extend the leave of absence for a police officer's or emergency medical services personnel's line of duty illness or injury in accordance with medical certification and administrative regulations. The extended leave of absence shall not exceed 10 workdays. The extended leave of absence shall be taken with no loss of pay. In accordance with law, following an extended leave of absence, the police officer or emergency medical services personnel may use accumulated leave.

Employee Relations and Communications

Employee Recognition and Appreciation

Continuous efforts are made throughout the year to recognize employees who make an extra effort to contribute to the success of the college. Employees are recognized at board meetings, in college publications, and through special events and activities. Recognition and appreciation activities also include service awards, Viking Values awards, and faculty, adjunct, leader and staff member of the year awards.

President's Report- a comprehensive monthly report outlining celebrations, key initiatives and milestones, student success, faculty development, foundation updates, facilities updates, and important dates.

Viking Voice- campus newspaper featuring student and faculty news.

Complaints and Grievances

Policy DGBA

In an effort to hear and resolve employee concerns or complaints in a timely manner and at the lowest administrative level possible, the board has adopted an orderly grievance process. Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time.

The formal process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative procedures are exhausted, employees can bring concerns or complaints to the board of trustees. For ease of reference, the link to the college's policy concerning the process of bringing concerns and complaints can be found online at the link is below:

Policies DAA, DH, DHC, DIAA, FA, FFDA,

Employees shall not engage in discrimination, harassment, or retaliation on the basis of sex, including sexual harassment, sexual assault and other sexual violence, dating violence, domestic violence, or stalking against other employees, prospective employees, former employees, unpaid interns, or students. Employees also may not engage in discrimination, harassment, or retaliation against other persons including board members, vendors, contractors, volunteers, or parents. Employees Who Witness Sex Discrimination, Sexual Harassment, Sexual Assault, Dating Violence, Domestic Violence, or Stalking

All employees who witness or receive information reasonably believed to constitute prohibited discrimination on the basis of sex, including sexual harassment, sexual assault or other sexual violence, dating violence, domestic violence, or stalking against or by another employee or student, regardless of where or when the incident occurred, must promptly report the incidents to the college's Title IX coordinator:

Dr. Erin Howard, Director of Student Conduct and Title IX

Exceptions to the Reporting Requirements

An employee is not required to report information they received as a result of a disclosure made at a college sponsored public awareness event unless the person has the authority to institute corrective measures on behalf of the college.

Absent the victim's consent, or unless required by law, a confidential employee, described below, may only disclose the type of incident reported and may not disclose information that would violate a victim's expectation of privacy.

An employee is not required to report an incident the employee learned of during the course of

the college's review or processing of an incident report or that has been confirmed to have been previously reported.

Victims of Sex Discrimination, Sexual Harassment, Sexual Assault, Dating Violence, Domestic Violence, or Stalking

An employee is not required to report the incident to the person alleged to have committed it.

An employee who is the victim of a crime has the right to choose whether to report the crime to law enforcement, to be assisted by the college in reporting the crime to law enforcement, or to decline to report the crime to law enforcement.

It is important that a victim of prohibited discrimination on the basis of sex, including sexual harassment, sexual assault or other sexual violence, dating violence, domestic violence, or stalking, go to a hospital for treatment and preservation of evidence, if applicable, as soon as practicable after the incident.

Retaliation

The college prohibits retaliation against an employee for the purpose of interfering with a right or privilege under policies DIAA and FFDA; who, in good faith, makes a report or a complaint, serves as a witness, or otherwise participates or refuses to participate in an investigation, proceeding, or hearing regarding an allegation of discrimination on the basis of sex, including sexual harassment, sexual assault or other sexual violence, dating violence, domestic violence, or stalking. This prohibition does not apply to the discipline of an employee who committed, or assists in the commission, of the misconduct.

False Report or Failure to Report

An employee commits an offense if the employee makes a false report or knowingly fails to report such incidents with the intent to harm, deceive, or conceal the incidents. An employee found by the college to have committed one of these offenses will be terminated.

Discrimination, Harassment, and Retaliation on the Basis of Other Protected Characteristics

Policies DAA, DAAA, DH, DHC, DIAB, FA, FFDB

In addition to the prohibition on discrimination, harassment, and retaliation on the basis of sex addressed above, employees shall not engage in discrimination, harassment, or retaliation on the basis of other legally protected characteristics against other employees, prospective employees, former employees, unpaid interns, or students. Employees also may not engage in prohibited discrimination, harassment, or retaliation against other persons including board members, vendors, contractors, volunteers, or parents. A substantiated charge will result in disciplinary action. Processes for reporting prohibited conduct are described below.

Report of Actions Targeting Employees

An employee who believes the employee or another employee has been discriminated or retaliated against or harassed on the basis of a legally protected characteristic other than sex is encouraged to promptly report such incidents to the employee's supervisor or the college president. An employee is not required to report prohibited conduct to the person alleged to have committed it. If the supervisor is the subject of a complaint, the complaint may be directed to the college president or designee. A complaint against the college president may be made directly to the Board.

Report of Actions Targeting Students

Employees who suspect a student may have experienced discrimination, harassment, or retaliation on the basis of a protected characteristic other than sex are obligated to report their concerns to an appropriate college official. All allegations will promptly be investigated. An employee who knows of or suspects child abuse must also report the employee's knowledge or suspicion to the appropriate authorities, as required by law. See *Reporting Suspected Child Abuse*, below, for additional information.

Reporting Suspected Child Abuse

Policies DH, DHC

All employees are required by state law to report any suspected child abuse or neglect, as defined by Texas Family Code §26.001, to a local or state law enforcement agency, Department of Family and Protective Services, or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering a facility in which the abuse occurred) within 48 hours of the event that led to the suspicion. Alleged abuse or neglect involving a person responsible for the care, custody, or welfare of the child (including a teacher) must be reported to Child Protective Services (CPS).

Employees are also required to make a report if they have cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child, elderly person, or disabled person.

Reports to the DFPS can be made to the Texas Abuse Hotline at 800-252-5400 or, if not urgent, on the web at <https://www.txabusehotline.org/Login/Default.aspx>. An employee's failure to make the required report may result in prosecution as a Class A misdemeanor. The offense of failure to report by a professional may be a state jail felony if it is shown the individual intended to conceal the abuse or neglect. An employee may not delegate to or rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. The college will not take any adverse action in response to good faith reports of child abuse or neglect or participation in an investigation regarding an allegation of child abuse or neglect.

Employees who suspect that a child has been or may be abused or neglected should also report their concerns to the Dean of Student Affairs. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the Dean of Student Affairs before making a report to the appropriate agency.

Reporting the concern to the Dean of Student Affairs does not relieve the employee of the

requirement to report it to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation is prohibited.

The college has established a procedure for addressing sexual abuse and other maltreatment of children, which may be accessed at:

[https://pol.tasb.org/Policy/Download/523?filename=DHC\(LEGAL\).pdf](https://pol.tasb.org/Policy/Download/523?filename=DHC(LEGAL).pdf). As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or maltreated. *Sexual abuse* in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. *Maltreatment* is defined as abuse or neglect. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect to law enforcement or to Child Protective Services (CPS) and follow the procedures described above.

Reporting Crime

Policy DG

The Texas Whistleblower Act protects college employees who make good faith reports of violations of law by the college to an appropriate law enforcement authority. The college is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act. An *appropriate law enforcement authority* is part of a federal, state, or local governmental entity that the employee in good faith believes is authorized to regulate under or enforce the law alleged to be violated or to investigate or prosecute a crime.

Technology Resources

Policy CR

The college's technology resources, including its networks, computer systems, e-mail accounts, devices connected to its networks, and all college-owned devices used on or off college property, are primarily for administrative and instructional purposes. Limited personal use is permitted if the use:

- Imposes no tangible cost to the college.
- Does not unduly burden the college's computer or network resources.
- Has no adverse effect on job performance or on a student's academic performance.

Electronic mail transmissions and other use of college technology resources are not confidential and can be monitored at any time to ensure appropriate use.

Employees are required to abide by the provisions of the acceptable use agreement and

administrative procedures. Failure to do so can result in suspension of access or termination of privileges and may lead to disciplinary and legal action. Employees with questions about computer use and data management can contact the Vice President of Information Technology.

Personal Use of Electronic Communications

Policy CR, DH

Electronic communications include all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), web logs (blogs), wikis, electronic forums (chat rooms), video-sharing websites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter, LinkedIn, Instagram). Electronic media also includes all forms of telecommunication such as landlines, cell phones, and web-based applications.

Employees are responsible for their public conduct even when they are not acting as college employees. Employees will be held to the same professional standards in their public use of electronic communications as they are for any other public conduct. If an employee's use of electronic communications interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee's page, including content added by the employee, the employee's friends, or members of the public who can access the employee's page, and for web links on the employee's page. The employee is also responsible for maintaining privacy settings appropriate to the content.

An employee who uses electronic media for personal purposes shall observe the following:

- The employee shall ensure that the use of personal electronic communication devices to send or receive calls, text messages, pictures, and videos does not interfere with their job duties.
- The employee shall not use the college's logo or other copyrighted material of the college without express, written consent.
- An employee may share any information that has already been posted on Grayson College social media pages. Employees may not share or post, in any format, information, videos, or pictures obtained while on duty or on college business unless the employee first obtains authorization from the employee's immediate supervisor. Employees should be cognizant that they have access to information and images that, if transmitted to the public, could violate privacy concerns.
- The employee continues to be subject to applicable state and federal laws, local policies, and administrative regulations, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off campus. These restrictions include:

- Confidentiality of student records [See Policy FJ]
- Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law [See Policy DBA]
- Confidentiality of college records, including private e-mail addresses. [See Policy GCA]
- Intellectual property [See Policy CT]
- Prohibition on the disclosure of information or rumor which might damage or embarrass or violate the privacy of any other person. [See Policy DH (EXHIBIT)]

Records Retention

Policy CIA

Employees must retain local government records for the appropriate retention period, which varies depending on the category of record (i.e., the content contained in that individual e-mail message) described in the college's records retention schedule. *Local government record* means any document, paper, letter, book, map, photograph, sound or video recording, microfilm, magnetic tape, electronic medium, or other information recording medium, regardless of physical form or characteristic and regardless of whether public access to it is open or restricted under the laws of the state, created or received by a local government or any of its officers or employees pursuant to law, including an ordinance, or in the transaction of public business. The determination of which category of record applies must be made on a case-by-case basis. If the contents of the record fall in more than one category in the records retention schedule and are not severable, the combined record must be retained for the length of time of the component with the longest retention period. The college's records retention schedule is available at <https://www.tsl.texas.gov/slr/recordspubs/jc.html>.

An employee in possession of public information that is stored on a personal device must preserve the information in accordance with the college's records retention schedule or transfer the records to the college upon request.

Criminal History Background Checks

Policy DC

Employees may be subject to a review of their criminal history record information at any time during employment. National criminal history checks based on an individual's fingerprints, photo, and other identification will be conducted on certain employees and entered into the Texas Department of Public Safety (DPS) Clearinghouse. This database provides the college with access to an employee's current national criminal history and updates to the employee's subsequent criminal history.

Employee Arrests and Convictions

Policy DH

The College District shall seek to provide channels of referrals for help, but it shall be the student’s or employee’s responsibility to seek help. All fees or charges associated with drug/alcohol abuse counseling or rehabilitation shall be the responsibility of the employee.

Exceptions

The College President is authorized by the Board to permit the serving and consumption of alcohol at appropriate College District functions. The use of College District facilities for this purpose shall require the completion of an application, as well as written approval from the College President prior to the event.

The Board designates the T.V. Munson Viticulture and Enology Center, and other facilities as locations where, in conjunction with instructional purposes associated with the Viticulture/Enology curriculum, possession and consumption of alcoholic beverages is approved only in the form of partially fermented grape juice and wine in accordance with state and federal laws.

Each employee shall be given a copy of the College District’s notice regarding a drug-free workplace, *Exhibit DI*:

Student records are confidential and are protected from unauthorized inspection or use. Employees should take precautions to maintain the confidentiality of all student records. Access to student records is restricted to the student, parents when the student is a dependent for tax purposes, and college officials with legitimate educational interests.

The student handbook provides students with detailed information on student records. Students who want to review student records should be directed to the registrar's office for assistance.

Student Complaints

Policy FLD

In an effort to hear and resolve student complaints in a timely manner and at the lowest administrative level possible, the board has adopted orderly processes for handling complaints on different issues. The procedure for filing a student complaint can be found online at www.grayson.edu.

Students are encouraged to discuss problems or complaints with the faculty member or the appropriate administrator at any time. Students with complaints that cannot be resolved to their satisfaction should be directed to the department chair or student services counselor. The formal complaint process provides students with an opportunity to be heard up to the highest levels of management (i.e., the president and board) if they are dissatisfied with a department chair or student services counselor's response.
