Apr 10 Viking Research Day at Grayson College

Learn how scholars think about problems, formulate hypotheses, research those problems, and draw conclusions about them while exploring how creative artists approach the creative process and produce an original work.

Students will develop a poster presentation, demonstration, or oral presentation. Projects are not limited to research papers, and can also be creative and technical works.

Scholarship awarded to top presentations. Scholarship winners must enroll at Grayson College and participate in Honors College for the 25-26 academic year.

For more information and to submit a proposal, visit [grayson.edu/honors-college](http://grayson.edu/honors-college) or email [garretts@grayson.edu](mailto:garretts@grayson.edu)
